MISSION

The mission of Lone Star Lifesavers is to prevent child drownings in Texas swimming pools. Drowning is the #1 cause of accidental death for young children, and it is entirely preventable. LSL equips parents, pool owners, and communities with strategies proven to enhance child safety around pools.

PROGRAMS

LSL combats drowning in Texas through the following programs:

- Parent and community education
- Learn-to-swim classes for underprivileged families
- Pool safety ordinance advocacy
- Lifejacket distribution
- Public awareness campaigns
- CPR training courses
